according to jane billinghamurst men created the idea of the temptress an irresistible woman bent on bringing them down to justify the fact that they so often surrender to women especially in the bedroom in this fascinating study she examines this vision in history mythology in the bible artwork and film she traces the evolution of the temptress from an almost demonic presence in folklore to current in your face performers like madonna the changing image of the temptress reflects the ebb and flow of men s fears and fantasies as well as women s self possession and power when men feel threatened by women s control temptresses are seen as dangerous when there is a lull in the battle of the sexes these women become objects of fantasies billinghamurst makes the case that when men begin to accept women as equals the figure of the temptress will serve to accommodate both male and female desires

there is no woman with a worse reputation than jezebel the ancient queen who corrupted a nation and met one of the most gruesome fates in the bible her name alone speaks of sexual decadence and promiscuity but what if this version of her story handed down to us through the ages is merely the one her enemies wanted us to believe what if jezebel far from being a conniving harlot was in fact framed in this remarkable new biography lesley hazleton shows exactly how the proud and courageous queen of israel was vilified and made into the very embodiment of wanton wickedness by her political and religious enemies jezebel brings readers back to the source of the biblical story a rich and dramatic saga featuring evil schemes and underhanded plots war and treason false gods and falser humans and all with the fate of entire nations at stake at its center are just one woman and one man the sophisticated queen jezebel and the stark prophet elijah their epic and ultimately tragic confrontation pits tolerance against righteousness pragmatism against divine dictates and liberalism against conservatism it is in other words the original story of the unholy marriage of sex politics and religion and it ends in one of the most chillingly brutal scenes in the entire bible here at last is the real story of the rise and fall of this legendary woman a radically different portrait with startling contemporary resonance in a world mired once again in religious wars
